### Authorized Importer Declaration

To Whom It May Concern,

As an importer of REC PV modules into Australia, the below company hereby agrees to take on warranty liabilities as detailed in the CEC importer's declaration for REC modules in accordance to the \*mandatory ACCC statement;

- Company Name: Solar Juice Pty Ltd
- Australian Business Number (ABN): 96 139 534 026
- Registered Address: Unit 1, 10 Forsyth Close, Wetherill Park NSW 2164
- Registered Website: <https://solarjuice.com.au/>
- Registered Contact Person:
  - Shawn Wang
  - 02 9725 1111
  - [service@solarjuice.com.au](mailto:service@solarjuice.com.au)

The applicant authorizes REC to upload details of solar panels imported into the Formbay portal.

These will be registered under the applicant's account, and when validated with the Solar Panel Validation Initiative, will produce a certificate specifying the applicant as the responsible supplier. REC will have a (non-admin) login to the applicant's Formbay portal account.

Date: 06/09/2022

Name: Andrew Burgess  
Title: Director

\*ACCC statement: "Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure"

**Declaration**

As an importer of PV Modules for the Australian market, I will (Please Tick):

- Abide by the Terms and Conditions for listing a PV module on the Clean Energy Council (CEC) approved product list <https://www.cleanenergycouncil.org.au/industry/products/terms-and-conditions/module-terms-and-conditions>
- Ensure my products are compliant with all relevant requirements as specified by Australian standards, regulations and legislation
- Expect that my product could be the subject of a testing program and will sell stock modules for testing
- Understand that non-conformances with certification could lead to removal from the CEC approved product list
- Include full disclosure of country of manufacture in my customer documentation
- Keep records of the serial numbers of all modules supplied by me to the Australian market and make this information available as required by CEC and the Clean Energy Regulator.
- Maintain a public website which provides access to customer documentation (datasheet, install manual and warranty) as provided to CEC by the manufacturer
